

**County of San Mateo**  
**Two-Way Radio/Microwave Services Technician**

**County of San Mateo \$6,701-\$8,377/month**

San Mateo County located 25 miles south of San Francisco, California seeks an experienced senior level Two-Way Radio/Microwave Technician to maintain and repair safety communications equipment. Requires considerable experience working with any two-way radio/microwave systems including simulcast, trunked and voting systems and experience maintaining low voltage electronic systems and troubleshooting to component level. A valid driver's license is required, and a valid APCO or NABOR certificate or an FCC radio/telephone license is highly desired. Must pass and maintain a security clearance as a condition of employment. To view the job description and instructions on how to apply, visit the San Mateo County website at: [www.co.sanmateo.ca.us/hr/jobs](http://www.co.sanmateo.ca.us/hr/jobs) . Resumes will not be accepted as a substitute for the application and questionnaire. Open until filled. Apply immediately. This recruitment is open on a continuous basis and selections may be made at any time within the process.
