Healthcare, Benefits and Employment

Employers receive rare access to Marine Veterans and reservist at a very large scale, not possible at other venues, or job fairs. These Marines have an average age of 28, more than 80% have 4 deployments, and the maturity level, work ethic and experience level are far superior to that of the non veteran populace at the same age brackets.

In collabora-
tion with the U.S.

Marine Corps, you are invited to participate in the second VA Palo Alto Health Care System Marine Corps Muster. This event is a collaboration of the U.S. Marine Corps with VA to ensure local Marine reservists are enrolled for VA services prior to their discharge, helping to provide a smooth transition to civilian life with the VA support in which they are entitled. Community partners and businesses will also be exhibiting to educate the Marines about benefits and programs available to them, and also employers will be hosting recruitment tables and providing advice on resumes and interviewing. Over 1,400 Marines will be receiving orders to attend.
