FirstNet Users Summit

A conference cultivated by public safety for public safety.

Join us at the Vision 2023 FirstNet Users Summit to learn about America's Public Safety Network. Our mission is to ensure every person who is a first responder or supports first responders is equipped with knowledge about their cutting edge network and the technology currently available to keep themselves and their communities safe.

SCHEDULE HIGHLIGHTS

- Community of Practice
- Technology Technology Deep Dive
- Grants Workshops
- Hands-On Demos
- Dedicated Vendor Hall Time

WHAT YOU WILL LEARN

Educate

Learn about America's Public Safety Network and how it applies to your day-to-day and emergency operations. From Mission Critical PTT to deployables to 5G, you will learn about the tools and resources available to you today and what the vision for these innovations will look like in the future.

Engage

Participate in interactive panels, deep-dive discussions, and peer-to-peer conversations all designed to help you exchange knowledge and to prepare for what is public safety's tomorrow.

Ignite

What's next for your network? What do you need out of it as we look forward to the next 5 – 10 years? Take ownership of your network and directly interact with the subject matter experts to have your voice heard.
