

California FirstNet User Group Roundtable

September 7, 2023, 0900-1200

**Caltrans Headquarters
1120 "N" Street, Sacramento, CA 95814
Meeting Room 2116, Capacity - 30**

You are invited to attend the first FirstNet User Group Roundtable. Please feel free to circulate this invitation. Our goal is to support public safety stakeholders and provide a professional development environment for FirstNet and perspective users. During our roundtable, the FirstNet Authority & AT&T will receive input directly from stakeholders regarding sales, devices, customer service, coverage, and other stakeholder needs and issues. This is not a sales event.

AT&T will have a Lead Market Development Manager available to identify new technical solutions and potential site sharing opportunities. Ret. Chief Kim Zagaris will serve as the Western Fire Chiefs Assn. representative. The FirstNet Authority will serve as staff and capture stakeholder data and feedback to support network development and improvements. FirstNet Authority Public Safety Advisory Committee member Ferdinand Milanés will serve as our first Chair.

Additional ongoing meetings will be held in Central and Southern California depending on stakeholder needs. Please RSVP to ferdinand.milanes@dot.ca.gov

- Parking can sometimes be a challenge in this area; allow time for parking your vehicle. In addition to street parking, there are public garages located at: 13th/P Streets; and at 10th/P Streets.
- You will also need to check-in with the security guard as you enter the building.

Agenda
